

Trisha Augustine

Elsipogtog, New Brunswick, Canada

Professional Summary

Versatile and adaptable professional with a wealth of experience and a comprehensive educational background. Guided by an empathetic and courteous attitude, prioritizing a dependable and accountable work ethic in all endeavors.

Professional Experience

IndigiTECH Program (Internship)

Jul 2023 – Feb 2024

Indigenous Friends Association • Remote

Web development using HTML, CSS and JS, as well as collaborating using Git and GitHub. Created a website collaboratively for non-profit organization. UX Design research and development, using heuristics, design thinking, and information architecture. Intro to business and digital marketing strategies.

Assistant to Producer (Internship)

Mar 2020 - Jul 2020

Lil Glooscap Productions • Remote

Became a mentee through the final stages of production for a children's TV program. Used digital art skills to give website prototypes a finished appearance. Documented meeting notes, assisted with script revisions, ensured deadlines were met, and attended all meetings.

Indigenous Event Planner

Jul 2018 - Aug 2019

NBCC • Miramichi, New Brunswick

Independent time management and schedule keeping. Coordinated and developed cultural activities and events suitable for all ages. Gathered feedback from event attendees and determined what activities were the most successful based on survey results and planned new events accordingly.

Pizza/Takeout Cook

Jan 2014 - Oct 2017

Shirley's Sub Shop • Elsipogtog, New Brunswick

Worked independently and cooperatively. Kept inventory and maintained food safety precautions. Used time management skills to ensure customers were served quickly without losing out on quality.

Personal Support Nurse

Sep 2013 - Dec 2013

KRT & Associates • Miramichi, New Brunswick

Provided palliative and respite care to clients and their families with due diligence. Always maintained a composed, empathetic, and professional demeanor when providing care, while also taking extra measures to ensure the clients' safety and dignity were priorities.
